## Parent Privacy Notice

### What is the purpose of this document?

Our Lady & St Paul's collects data and information about parents / carers of our pupils so that we can operate effectively as a school. This privacy notice explains how and why we collect parent / carer data, what we do with it and what rights parents have.

Our Lady & St Paul's is a school within the St Teresa of Calcutta Catholic Academy Trust ("the Trust"). The Trust is the Data Controller for all the schools within the Trust. The Trust's registered office is St Teresa of Calcutta Catholic Academy Trust, Imperial House, Hornby Street, Bury, BL9 5BN.

The Data Protection Officer for the Trust is Jenny Bonson, contactable via [dpo@stoccat.org.uk](mailto:dpo@stoccat.org.uk)

The term parent is widely defined in education law to include the natural or adoptive parents (regardless of whether parents are or were married, whether a father is named on a birth certificate or has parental responsibility for the pupil, with whom the pupil lives or whether the pupil has contact with that parent), and also includes non-parents who have parental responsibility for the pupil, or with whom the pupil lives. It is therefore possible for a pupil to have several "parents" for the purposes of education law. This privacy notice also covers other members of pupils' families who we may process data about from time to time, including, for example, siblings, aunts and uncles and grandparents.

### Why do we collect and use parent / carer information?

In compliance with Article 6 of the GDPR, we collect and use parent/carers information under the following lawful bases:

- c) Where processing is necessary to protect the vital interests of the data subject or another person;
- d) Where it is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller.

In compliance with Article 9 of the GDPR, where the personal data we collect is special category data, such as ethnic origin, religious beliefs and health conditions, we will identify a lawful basis for the processing of such data (as listed within Article 6) and an appropriate special category condition for the processing of the data (as listed within Article 9).

When processing special category data, we will meet at least one of the conditions below:

- a) Explicit consent is gained;
- b) It is in the interest of employment, social security and social protection;
- c) It is in your vital interests;
- d) It involves a not-for-profit body;
- e) The data is made public by yourself;
- f) It is in relation to legal claims or judicial acts;

From time to time and in certain circumstances, we might also process personal data about parents/carers, some of which might be sensitive personal data, information about criminal proceedings/convictions or information about child protection/safeguarding. This information is not routinely collected about parents/carers and is only likely to be processed by the school in specific circumstances relating to particular pupils, for example, if a child protection issue arises or if a parent/carer is involved in a criminal matter. Where appropriate, such information may be shared with external agencies such as the child protection team at the Local Authority, the Local Authority Designated Officer and/or the Police. Such information will only be processed to the extent that it is lawful to do so and appropriate measures will be taken to keep the data secure.

We collect information about parents/carers before pupils join the school and update it during pupils' time on the roll as and when new information is acquired.

**Collecting parent/carer information**

Whilst the majority of information about parents / carers provided to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain parent / carer information to us or if you have a choice in this. Where appropriate, we will ask parents / carers for consent to process personal data where there is no other lawful basis for processing it, for example where we wish to ask your permission to use your information for marketing purposes or to request voluntary contributions. Parents / carers may withdraw consent given in these circumstances at any time.

**Storing parent/carer data**

A significant amount of personal data is stored electronically, for example, on our database, SIMS. Some information may also be stored in hard copy format.

Data stored electronically may be saved on a cloud based system which may be hosted in a different country.

Personal data may be transferred to other countries if, for example, we are arranging a school trip to a different country. Appropriate steps will be taken to keep the data secure.

We will only retain your personal information for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, insurance or reporting requirements. Details of retention periods for different aspects of your personal information are available in our Data Retention Policy. To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances we may anonymise your personal information so that it can no longer be associated with you, in which case we may use such information without further notice to you. Once you are no longer a parent/carer of a child at the school we will retain and securely destroy your personal information in accordance with our Data Retention Policy or applicable laws and regulations.

### **Who do we share parent/carer information with?**

We routinely share parent/carer information with:

- schools that pupils attend after leaving us;
- ParentMail;
- Evolve;

From time to time, we may also share parent/carer information other third parties including the following:

- our local authority;
- a pupil's home local authority (if different);
- the Department for Education (DfE);
- school governors/Trustees;
- the central team at the Trust;
- the Police and law enforcement agencies;
- NHS health professionals including the school nurse, educational psychologists,
- Education Welfare Officers;

Some of the organisations referred to above are joint data controllers. This means we are all responsible to you for how we process your data.

In the event that we share personal data about parents/carers with third parties, we will provide the minimum amount of personal data necessary to fulfil the purpose for which we are required to share the data.

### **Requesting access to your personal data**

Under data protection legislation, parents have the right to request access to information about them, and where appropriate their child, that we hold ("Subject Access Request"). From the age of 13, we generally regard pupils as having the capacity to exercise their own rights in relation to their personal data. This means that where we consider a pupil to have sufficient maturity to understand their own rights, we will require a Subject Access Request to be made by the pupil and not their parent(s) on their behalf. This does not affect any separate statutory right parents might have to access information about their child.

Requests for data about either yourself or your child should be made in writing to the school, or where appropriate the Trust. Any written request for personal data will be treated as a Subject Access Request. These requests will be addressed by the school's Data Protection Lead, in conjunction with the Trust's DPO as necessary.

The legal timescales for the School to respond to a Subject Access Request is one calendar month. As the School has limited staff resources outside of term time, we encourage parents/pupils to submit Subject Access Requests during term time and to avoid sending a request during periods when the School is closed or is about to close for the holidays where possible. This will assist us in responding to your request as promptly as possible. Where the school or Trust believe they will be unable to respond to requests within the given timeframe, the requester will be contacted regarding any potential delays. For further information about how we handle Subject Access Requests, please see our Data Protection Policy.

### **No fee usually required**

You will not have to pay a fee to access your personal information (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is manifestly unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.

### **What we may need from you**

We may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it.

You also have the right to:

- object to processing of personal data that is likely to cause, or is causing, damage or distress;
- prevent processing for the purpose of direct marketing;
- object to decisions being taken by automated means;
- in certain circumstances, have inaccurate personal data rectified, blocked, erased or destroyed; and
- claim compensation for damages caused by a breach of our data protection responsibilities.

### **Right to withdraw consent**

In the limited circumstances where you may have provided your consent to the collection, processing and transfer of your personal information for a specific purpose, you have the right to withdraw your consent for that specific processing at any time. To withdraw your consent, please contact the Data Protection Officer. Once we have received notification that you have withdrawn your consent, we will no longer process your information for the purpose or purposes you originally agreed to, unless we have another legitimate basis for doing so in law.

### **Data protection officer**

We have appointed a data protection officer (DPO) to oversee compliance with this privacy notice. If you have any questions about this privacy notice or how we handle your personal information, please contact the DPO. You have the right to make a complaint at any time to the Information Commissioner's Office (ICO), the UK supervisory authority for data protection issues.

You can contact the Information Commissioners Office on 0303 123 1113 or via email

<https://ico.org.uk/global/contact-us/email/> or at the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire. SK9 5AF.

We reserve the right to update this privacy notice at any time, and we will provide you with a new privacy notice when we make any substantial updates. We may also notify you in other ways from time to time about the processing of your personal information.
